DOCKET NO. 2018-322-E - Application of Duke Energy Progress, LLC for Approval of Proposed Electric Transportation Pilot and An Accounting Order to Defer Capital and Operating Expenses - Staff Presents for Commission Consideration Duke Energy Carolinas, LLC and Duke Energy Progress, LLC's Stipulation, along with the Stipulation between Duke Energy Progress, LLC and ChargePoint, Incorporated.

COMMISSION ACTION:

DDESIDING: Williams

Move for the approval of the Electric Transportation Pilot programs and for an accounting order filed by Duke Energy Carolinas and Duke Energy Progress, as well as a stipulation. The parties reached a stipulated agreement and we're grateful for that, that they were able to work together. This is an important pilot for our State; as we try to transition to electric transportation, we have an opportunity to really make a difference with this pilot. And I move that we grant the request for a three-year program duration, which will commence 90 days after the date the order in these two dockets has been filed.
